Our History

We are honored to share our history with the Tacoma Narrows Marina. For many years our building was the local bait and tackle shop, which has moved just across the deck. The old Day Island Bridge now serves as our bar top, and vintage Nalley Valley Pickle barrels have a second life as our table tops. Hanging out with friends, grabbing a bite to eat, or just gazing at the view, we hope Boathouse 19 becomes part of your history, too!
